Getting Involved in our Community

We welcome people from all walks of life; families, students, young, old, curious, committed, sceptical; permanent residents or those simply passing through.

We encourage you to come to one of our Sunday or weekday services to meet the clergy and members of the congregation, which numbers around 70-100 people each week. We range in age from 6 weeks to over 90 years old!

There are many events and activities which go towards making the Church a community that we cherish. Some are regular, others are one-offs. Some are clergy-led, others are led by members of the congregation. As ever, the best way to find out what suits you best is to try to get involved – and perhaps suggest or lead new ones!
